

JOB OPPORTUNITY

Construction Manager / Site Agent

Cape Town, Western Cape — Building project

Reference	MIH-CM-2026-01
Position	Construction Manager / Site Agent
Location	Cape Town, Western Cape
Salary	R25 000.00 - R30 000.00 per month
Contract duration	7 months
Start date	August 2026
Project type	Building project
Closing date	24 July 2026

About the role

Matukane Investment Holdings is looking for an experienced Construction Manager / Site Agent to join a building project in Cape Town. The successful candidate will manage day-to-day site operations and drive delivery on programme, quality and safety.

Minimum requirements

- Diploma, BTech, or BSc in Civil Engineering, Construction Management, Building, or another built-environment related qualification
- Minimum 6 years' experience in construction site management or a similar role
- Experience managing subcontractors, labour, suppliers, site progress and daily operations
- Ability to read drawings, understand specifications and manage site instructions
- Strong knowledge of quality control, health and safety, and programme management
- Good communication, leadership and reporting skills
- Valid driver's licence will be an advantage
- Cape Town-based candidates will be preferred

Key responsibilities

- Manage day-to-day site activities
- Coordinate subcontractors, suppliers and site teams
- Monitor programme, quality, safety and productivity
- Ensure work is completed according to drawings, specifications and deadlines
- Prepare daily / weekly progress updates for management
- Assist with resolving site issues and maintaining project momentum

How to apply

Apply online at matukane.com/careers.html, or email your CV and relevant qualifications to career@matukane.com.
