Mid Quantity Surveyor (QS)

REFERENCE	MIH-QS-2026-04
POSITION	Mid Quantity Surveyor (QS)
LOCATION	Cape Town, Western Cape
SALARY	R18 000.00 – R20 000.00 per month
CONTRACT DURATION	6 months (Contract)
START DATE	October 2026
PROJECT TYPE	Building & civil construction
CLOSING DATE	30 September 2026

About the role

Matukane Investment Holdings is looking for a Mid Quantity Surveyor to support cost and commercial management across our construction projects from our Western Cape office. The successful candidate will help keep projects commercially on track — from measurement and valuations to cost reporting and final accounts.

Minimum requirements

- National Diploma, BTech or BSc in Quantity Surveying, Construction Management or a related built-environment qualification
- 3–5 years' experience as a Quantity Surveyor in the construction industry
- Solid measurement skills — taking off quantities and preparing bills of quantities (BOQs)
- Experience with valuations, interim payment certificates and cost reporting
- Ability to read and interpret construction drawings and specifications
- Familiarity with standard contracts (JBCC, NEC or GCC) will be an advantage
- Proficiency in MS Excel and QS software (WinQS, CostX or Candy) will be an advantage
- Strong numerical, analytical and reporting skills
- Valid driver's licence will be an advantage
- Cape Town-based candidates will be preferred

Key responsibilities

- Prepare take-offs, bills of quantities and cost estimates
- Measure and value work done for interim payment certificates
- Monitor project costs against budget and report on variances
- Administer subcontractor accounts, reconciliations and procurement support
- Prepare and assess variations, claims and final accounts

Matukane Investment Holdings

Captains of Industry · Level 1 B-BBEE Contributor · 100% Youth & Black-Owned

- Support the site and commercial teams with contract administration
- Maintain accurate cost records and reporting for management
